COLORADO MINERS MAY VOTE A STRIKE

"We Will Win the fight Today," Sing 250 Marchers in Parade-Miners "Mother Jones."

"Mother Jones."

Trinidad, Colo., Sept. 15.—Headed by a band and singing "We Will Win the Fight Today," 250 members of the United Mine Workers paraded the streets of Trinidad this morning before going into convention to take final action on the proposed strike in district No. 15. Mother Jones, who addressed the miners last night, was wildly cheered as they passed her hotel. That a strike will be called today or omerrow is thought. More than 100 arlking miners from the northern lelds arrived here today and marched

in the parade.

All is quiet in the camps of Las Animas and Huerfano companies today, and all mines are in full operation.

A statement issued by the Victor American Fuel company today says a complete poll of their men shows 79 percent opposed to a strike.

DENIES STRIKE WAS SETTLED AT POINT OF A REVOLVER Johannesburg, South Africa, Sept. 15.

Sensational stories are current regarding the conference between the government officials and miners' leaders, which resulted in a settlement of the gold mine strike on the Rand on July 5 last. Some of the labor leaders assert that Gen. Louis Botha, expremier of the union of South Africa, and Gen. Smuts, minister of the interior, mines and defences, were compelled at the point of a revolver to sign the agreement. Gen. Smuts has issued a denial of this.

STRIKERS PARADE BUT KEEP ORDER IN CALUMET DISTRICT Calumet, Mich., Sept. 15.—Quietness reigned in the copper strike district to-day, the usual morning disturbances failing to materialise. The strikers started the largest parade since the strike started, men and women being in the parade.

Weather forecast fair and colder until next April. Buy coal now from Southwestern Fuel company, and get full measure. Phone 531.—Advertise-

EXPLOSION WRECKS HOUSE; EIGHT DEAD

Coburg, Germany, Sept. 15.—Eight persons were killed seven others are be-lieved to be buried in the ruins, and six more were injured by the collapse of a tenement house ear, today as a result of a gas explosion.

Buy your coal from Southwestern Fuel company, where 2000 pounds make a ton. Phone 531.—Advertisement.

Russian Shipments and Lack | Copper Shares Rally Briskly. on Announcement of 17 Cent Price.

NOTE—All market news on this page reflects closing sale prices (unless buy or bid be specified, Monday, Sept. 15, 1913,

New York, Sept. 15 .- The scarcity of

New York, Sept. 15.—The scarcity of stochs in the closing days of last week, which forced the bears to retreat, was no longer the governing feature of the market when this week's trading began, liberal supplies from all sources effectually checked efforts to put prices higher.

The recent rise apparently readjusted an oversold condition and the market was not in condition to assimilate the heavy offerings on profit taking sales. Some milnor shares gave an exhibition of strength, but the market generally was under pressare.

Lack of confirmation of the rumora put out to explain the advance in Union Pacific, Reading and Canadian Pacific made buyers cautious, and the fact that large speculative interests were supplying stocks, furnished sufficient inducement to the bears to begin selling. Copper shares ralled briskly on the announcement that the price of the metals had been marked up to 17 cents by one large selling agency. Bullish operations in Reading and Can were resumed with some success toward midday, exercising a strengthening influence all around.

Bonds were irregular.

A wave of selling orders struck the market after the rally had been carried to a point where the list was ruling at or above Saturday's close. On the rise Reading to solve and under the list was ruling at or above Saturday's close. On the rise Reading eclipsed its carly high figure, touching 165. Tobacces were also buoyant, American jumping five points. The reaction forced down Union Pacific a point and Chesapeake & Ohio also became weak. Otherwise the pressure lessened after prices sold off half a point or so.

The market closed weak.

Bears were active in the late dealings and succeeded in uncovering some weakly margined long accounts. The lowest prices were made for most of the representative stocks, with particular heaviness in Steel and Union Pacific. Reading west back below Saturday's close, and Can reacted two points when the general pressure became too severe.
